Sub: Concessions on residential telephones to BSNL retirees - Extension of the same concessions on FTTH

Ref 1) BSNL CO No. 2-7/2007-PHA dt 20-07-2007

2) BSNL CO No. 2-06/2005-PHA dt 03.06.2011

Respected Sir,

Kindly refer to the letters referred 1) above, which stipulates concessions in residential telephone connections to retired BSNL officers and vide 2) above wherein concessions in broadband connections were also provided for to the retirees. While these concessions still exist, we may bring to your kind notice that currently since construction/ maintenance works on u/g cables have come to an absolute halt, most of the retired officers are denied of the eligible facilities and concessions thereof with landlines/ broadband. At the same time, in many Circles, FTTH connections are being provided at a fast pace.

We, therefore, request you to kindly permit the retired officers to choose either landlines with broadband or FTTH with data depending on the feasibility and availability in their place of residence. We are not requesting for any increase in concessions, which may be retained at the same rates as sanctioned way back in 2007/2011.

Kindly note that our request is not for any additional facility or additional concession but merely extending a choice to select the type of connection that may be useful to the retired officers. Therefore, kindly instruct the concerned officers to provide landline connection with broadband or FTTH as opted by the retirees with existing concessions, applied to either.

With kind regards,

Sincerely yours,

G. L. Jogi

General Secretary
